

Straight teeth, No braces

SHE'S WEARING INVISALIGN

FREE INVISALIGN OPEN HOUSE

Find out if Invisalign is right for you on Wednesday 24th March 6pm-8pm. Limited spaces and booking essential.

- Invisalign is the invisible way to straighten teeth, using clear very fine removable plastic aligners, without your friends and colleagues ever knowing. They are comfortable and easy to clean and offer outstanding results. The cost is comparable to braces.
- The team of dentists from Dentistry by Design will assess your suitability for Invisalign.
- Invisalign is now celebrating over a million Invisalign patients worldwide.
